1	Eggersmann GmbH	Eggersmann is the first and only company in the recycling world that offers a complete product line of mobile and stationery recycling and composting machinery. We distribute products of well-known brands like BACKHUS, BRT HARTNER, Eggersmann, FORUS and Terra Select. We also deliver solutions for all kinds of processes, including but not only, composting, dosing, sorting, opening, shredding, screening and sifting. For customer convenience all of these products of each brand can be bought from any of our knowledgeable sales associates. Eggersmann offers individual attention specific to the client's needs and a comprehensive distribution with complete support – from the first idea to the final product. Decades of experience and the know-how of the brands are incorporated into the worldwide operating of Eggersmann GmbH which guarantees impeccable results for our customers.	Germany
